COSROCS is a local model rocketry club with NAR (National Association of Rocketry) sanctioning that operates in Colorado Springs, Colorado. We pride ourselves in our safety record, friendly club environment and our rocketry based educational efforts in the State of Colorado. We promote model rocketry as a safe, fun & exciting family oriented hobby.

Services provided by COSROCS

- Monthly Supervised Sport Launches, Free and Open to the Public.
- Educational Training and Teacher Assistance for Schools and Clubs.
- Demonstration Launches and Static Displays.
